

Greetings Cards, by Deggers

Alan d'Egville, a founder member of the Kandahar, cartoonist and Gold Medal skier of the 20's and 30's, drew these cartoons in 1947 especially for Evie (Pinching) Chance's lecture tour of the British Army of the Rhine. They were donated by her to the Ladies' Ski Club.

The cards are supplied in packs of eight for £4 (four cards of each of the two designs) with envelopes, and are blank inside for your own greetings.

All profits will support our British lady ski racers.
