

2022 Season's Highlights

In a round-up of key highlights from the 2021/22 season, many of our funded athletes have had some amazing results.

Four of our funded athletes made the Olympic Squad in Beijing – Charlie Guest and Alex Tilley in Alpine, Millie Knight in the Paralympics Slalom, and Kirsty Muir in Free Ski.

Charlie took 21st place in the Slalom and Alex came 22nd in the GS event. Partially sighted skier, Millie Knight, won a stunning bronze medal in the Paralympic Downhill and was just pipped to another medal coming 4th in the Super G. And 17 year old Kirsty took an outstanding 5th place in the women's Big Air.

British No 1 telemark skier and LSC funded athlete Jaz Taylor finished the season ranked 2nd in the World after 7 consecutive FIS Telemark World Cup podiums.

Some of the younger girls had great results, giving us an insight into our future senior stars. Charlotte Holmes was outstanding in the National Championships and some excellent results from our other members both at the Championships and across the season, including Giselle Gorringer, Jessica Anderson and Candice Bomberg. Very encouraging results from Lucy Jackman, Isla Ward, Amy Stokoe, Sophie Foster, Sarah Woodward, Daisi Daniels, Abi Bruce, Lois Jackson and Alexa Elliff to name but a few.

Emma Peters is beginning to crack the World Cup Ski Cross circuit, with her first top 16 World Cup finish as well as some excellent Europa Cup results.
