

Ladies Off Piste Ski Weekend in Klosters - 28 Feb 2024 to 3 Mar 2024

Arrival in the afternoon/evening of Wednesday 28 February at Zurich Airport and driven to Klosters for 4 days off piste with a guide, with departure on the last flight on Sunday 3 March allowing for nearly a full day's skiing on that day.

Klosters is a fabulous resort for off piste and a hidden gem. With 5 mountains to choose from there are a huge amount of possibilities ranging from wide open slopes at the top to trees and meadows lower down. The PT Ski team are on hand to support the weekend and there is nothing nicer than arriving at the bottom in the middle of nowhere to see the PT Ski minibus there ready to whisk you back to the lift station.

Prices from £1590pp based on 2 people sharing at the Silvretta Parkhotel and includes bed & breakfast, all local taxes, 4 days off piste with a guide and our PT Ski Service (including complimentary transfers to and from Zurich Airport).

The price does not include flights, ski passes, equipment rental, insurance or hotel extras. Participants need to be confident skiers with some off piste experience although it doesn't need to be extensive.
